**O**utram Club kept it happy and homely with about 400 members and their guests making it to the club's Christmas Eve celebrations. While city-bred singer Sukanya won hearts with her rendition of *Kaisi paheli* from *Parineeta*, singer Preeti Bhalla from Mumbai rocked the party with *Nagara nagara* from *Jab We Met*. Next up was Trishoy with golden oldies from Mid Rafi and Kishore Kumar. At midnight, Preeti and Sukanya sang Christmas carols. "It was such a nice party, especially because I went with my wife and kids and met up with old friends there," said member Rahul Chakraborty.
