Celebration time

The specially designed cake that left all the guests salivating

On Tuesday, Mani Square celebrated its second anniversary. A 10-foot long cake was cut near the entrance to the mall, so that everyone could take part. Celebrations are on for a week and in keeping with it, the décor was done up beautifully, to give that 'birthday' feel. The retail owners along with customers took part in the gala event that also saw jugglers engaging in an entertaining act. "On June 18, a city band will perform. And on June 19, the day that also marks the grand finale of the week-long celebrations, there will be a war of the DJs, wherein DJs Shirin, Akash and Girish will judge upcoming talents," informed Sudarshana Gangulee, GM-Marketing, Mani Group.
