Fez: After experimenting with fusion fare, restaurateur Pradip Rozario, in partnership with Sanjay Jhunjhunwala, CEO, Mani Group, has formed a company called Fez, which will open a 3,000sqft Mediterranean restaurant (comprising Lebanese, Greek, Turkish, Moroccan and Italian cuisines) on the fourth floor of Mani Square, on January 4. This comes on the heels of La Griglie, a Mughlai open-air restaurant that opened in the Mani Square food court on December 18, 2009.
